To Whom It May Concern:

My name is Evelyn D. Hall and I am the training coordinator for E.R. Snell Contractor, Inc. located in Snellville, Georgia.

Several years ago, I was searching for an additional source for NPDES Level 1A training and re-certification. A colleague provided me with information on Luke Owen's NPDES Stormwater Training Institute. I decided to give them a try.

Mr. Owen's organization provides comprehensive training schedules which offer an outstanding range of class dates and locations. They also offer training online. My experiences with the staff have been positive and I find them to be friendly, efficient, professional and knowledgeable.

It is my pleasure to recommend them to you. Please call me or e-mail me with any questions regarding my experiences with NPDES Stormwater Training Institute. I can be reached at 678-344-4132 or ehall@ersnell.com.

Very truly yours,

A handwritten signature in cursive script that reads "Evelyn D. Hall".
