To Whom It May Concern:

If you are looking for a great training resource for your erosion control certification or re-certification, I recommend GeoLOGIC and their NPDES Training Institute. The instructors are geologists with real world experience.

I attended the Level 1A Fundamentals Course to earn my blue card. The class was informative, interesting and gave me and my team the background we need to keep our jobsites in compliance.

Regards,

A handwritten signature in green ink that reads "Mark Rischar". The signature is fluid and cursive, with a large initial "M" and "R".
